

Proposed Fitting Prefix Example:

Prefix from fitting allocation file "U"

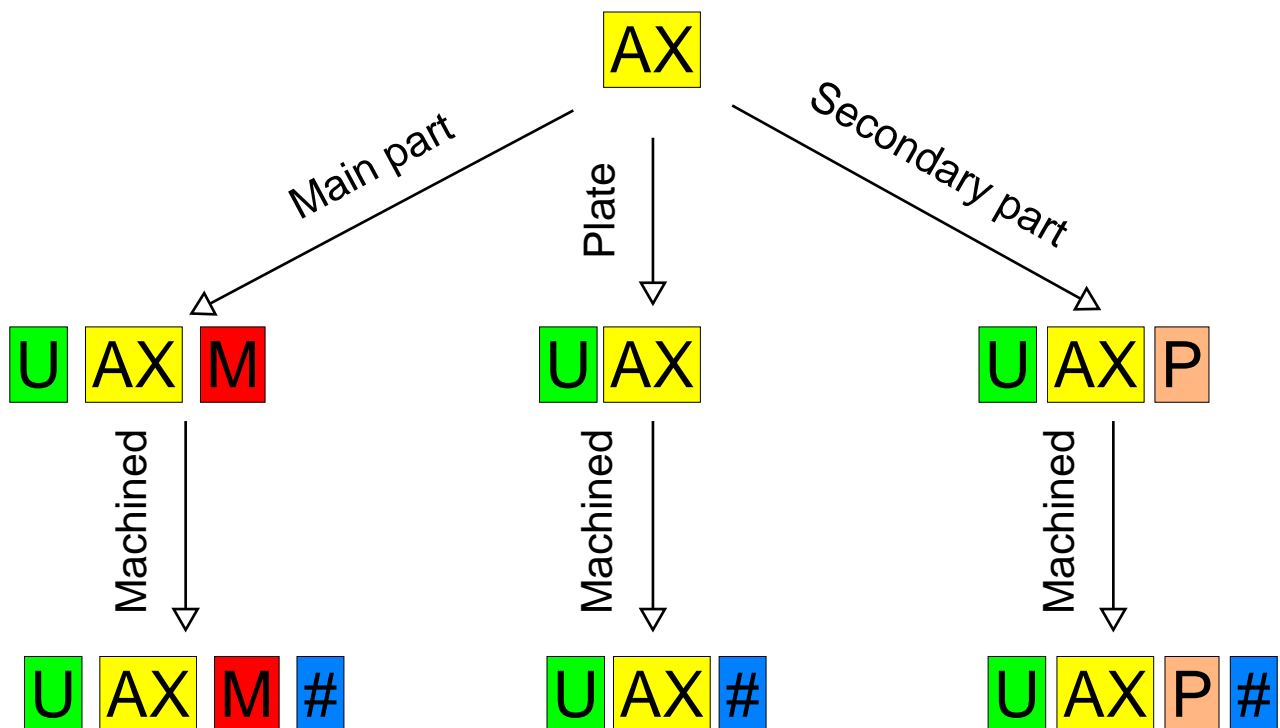

Phase Fitting Prefix - "AX", "BX", . etc

Letter for rolled section main part "M"

Letter for rolled section secondary part "P"

Suffix letter for machined or prep part "#"

Phase 1 - Prefix "AX"

- The prefixes for the phases in the phase manager for 3375 South Ruislip are already with the project prefix **U** example: **UAX**, **UBX** etc.
